PROFILE SUMMARY

A curious and highly motivated final year B.Tech Computer Science Engineering student with a specialized interest in Artificial intelligence, machine learning and other emerging technologies. Proven ability to quickly master new technologies, as Presented through earning certifications and creating new projects.

SKILLS

Languages: Python

Tools: Streamlit · Flask · Django · Git · MySQL

Soft Skills : Teamwork · Quick learner · Communication

AI / ML : Scikit-learn · TensorFlow · FastAPI · Feature Engineering · Neural Networks · NLP · LLM

INTERNSHIP & TRAINING

Sortiq Solutions Pvt. Ltd. | ML & AI Intern (Current)

Mohali, Punjab · Jan 2026 – Present

- ▶ Building real world projects and getting hands-on experience on Machine learning and Artificial intelligence also working on my skills.
- ▶ Developed (AllMartX, Music recommendation system) projects using python (Flask), Machine learning (Scikit-Learn) as end semester project during internship.

PROJECTS

AllMartX | Python Web Application

Python · Flask · HTML · 2026

- ▶ to provide personalized Developed a Python-Based Web Application to provide customers a platform to buy products as per their needs. Admin Panel handles everything related to products and advertisements.

Music Recommendation System | Machine Learning

Python · Scikit-Learn · Flask · 2026

- ▶ Developed a Python-Based ML model to provide personalized song recommendations through the analysis of user listening history

Smart Identity Pro | Python Desktop App

Python · PyQT · 2026

- ▶ Developed a python-Based desktop application used to modify user personal identities like aadhaar card , also create a custom ID card.

EDUCATION

- | | |
|---|------------------|
| ▶ B.Tech Computer Science & Engineering — CGC Landran | 2026 · Pursuing |
| ▶ Diploma in Computer Science & Engineering — Dr. B R Ambedkar Govt. Polytechnic | 2023 · Completed |
| ▶ Senior Secondary XII — Govt. Senior Secondary School Himachal Pradesh | 2019 · Completed |
| ▶ Matriculation X — Galaxy Public Senior Secondary School Nagrota surian | 2017 · Completed |

CERTIFICATIONS & ACHIEVEMENTS

- ▶ **AWS Academy Graduate** — Cloud Operations
- ▶ **Generative AI** — ARTIFICIAL INTELLIGENCE
- ▶ **Oracle Fusion AI Agent** — ORACLE UNIVERSITY
